Letter Under 37 CFR 1.322 In Support of Certificate of Correction for Office Mistake

Pursuant to 35 USC §254 and 37 CFR 1.322, Applicant respectfully requests that the Office issue a Certificate of Correction as enclosed to correct a typographical errors in connection with claims 13 and 22 of the above patent. At column 14, line 46 of claim 13 in the issued patent, a comma appears after the word "ball." This comma should be omitted. Secondly, at column 16, line 1 of claim 22 in the issued patent, the word "deer" should actually read "deep." Thirdly, at column 16, line 3 of claim 22 in the issued patent, the word "deer" should again be replaced with the word "deep." A review of the Applicant's file clearly indicates that the mistake in the claim language was incurred through the fault of the Office; and therefore, Applicant respectfully submits that the conditions of 37 CFR 1.322 have been met.

Accordingly, Applicant respectfully requests that the Director issue the enclosed Certificate of Correction.

Respectfully submitted,
